1.	<b>What is this product about?</b>		
	<input type="checkbox"/> Flexi Home Financing -i  <input type="checkbox"/> Flexi Business Premises Financing-i	<p>This is a Shariah-compliant financing facility and you are offering your property as security. Depending on your credit assessment, the bank may require guarantor(s) to guarantee your obligations.</p> <p>You will be required to open a Special Mudharabah Investment Account-i (SMIA-i) which will be linked to your Facility and to which you may channel extra cash at any time. The closing balance in the SMIA-i at the end of the day will be used to determine the profit rate applicable to the Facility. This will enable you to enjoy a lower profit charge on the Facility account (subject to a monthly service charge) and non-rebated profit whilst potentially earning a return under your SMIA-i.</p> <p>Partial settlements are allowed and may be used to reduce the principal Facility amount but you must issue a written request for a reduction in the principal Facility sum. A reduction in the principal amount will result in a shorter financing tenure and savings for you because less profit will be charged on the Facility.</p>	
2.	<b>What is the Shariah concept applicable?</b>		
	<p>The Facility is based on the Shariah concept of Commodity Murabahah. This is a buy and sell contract between the bank and you, under which a specific Shariah compliant commodity will be identified and used as the underlying asset for the sale and purchase transaction between you and the bank for the purpose of disbursing the funds under the Facility.</p>		
3.	<b>What do I get from this product?</b>		
	<p>a) Total amount : RM _____ financed</p> <p>b) Margin of : _____% financing</p> <p>c) Tenure : _____ (years)</p> <p>d) Profit rate : SBR + _____ % p.a. (Effective profit = 2.75% + _____ % p.a.)</p>

The annuity factor for the Facility will be _____.</p> <p>Note: Standardised Base Rate (SBR) currently @ 2.75% p.a.</p>
<p><b>4.</b></p>	<p><b>What is the Standardised Base Rate ("SBR")?</b></p> <p>The SBR we offer on this product is based on the benchmark rate specified by Bank Negara Malaysia. The benchmark rate is currently set as the Overnight Policy Rate (OPR), which reflects the monetary policy stance as decided by the Monetary Policy Committee of Bank Negara Malaysia.</p>
<p><b>5.</b></p>	<p><b>What are possible scenarios to trigger a change in the SBR?</b></p> <p>The SBR can rise or fall due to change in the benchmark rate, i.e changes in the Overnight Policy Rate (OPR).</p>

You have to pay profit during the construction period for a property under construction.

Profit is calculated as per the formula below:

Amount disbursed x profit rate x no. of days due / 365 (or 366 for leap year)

The bank will grant you a rebate (Ibra') in the following circumstances (amongst others):

- there is a difference in the profit portion calculated on the basis of the contracted profit rate and effective profit rate;
- you make a partial settlement of the Facility;
- you undertake an early settlement of the Facility, or the Facility is terminated prior to the end of its tenure; and

	<p>iv) the Facility is cancelled on the basis that it is not utilised during the availability period.</p> <p>For the avoidance of doubt, the rebates referred to above will not take the form of cash rebate payable to you, but will be reflected as a reduction in the profit element of the monthly instalments payable under the Facility.</p> <p>Note:</p> <ul style="list-style-type: none"> <li>i) The amount of each monthly instalment may fluctuate based on the movement of the SBR.</li> <li>ii) The fluctuations of SBR are as follows: - <ul style="list-style-type: none"> <li>a) If the SBR is at moving at a downtrend, the amount of the monthly instalment will decrease.</li> <li>b) If the SBR is at moving at an uptrend, the amount of the monthly instalment will increase.</li> </ul> </li> <li>iii) The bank will advise you of the new amount of each monthly instalment payable upon the changes in the SBR, via notification letter.</li> </ul>
<b>8.</b>	<p><b>What other charges do I have to pay?</b></p> <p><b><u>Stamp Duties</u></b> As per the Stamp Duty Act 1949 (Revised 1989).</p> <p><b><u>Legal Fees</u></b> As per the scale in the Solicitors' Remuneration Order (SRO).</p> <p><b><u>Disbursement Fees</u></b> Include but are not limited to registration fees, search fees and other charges imposed by the relevant authorities and/or legal firms.</p> <p><b><u>Valuation Fees</u></b> As per the Seventh Schedule of the scale fees set by the Board of Valuers, Appraisers and Estate Agents Malaysia.</p> <p><b><u>Other Fees and Charges</u></b></p> <p><b><u>Monthly Service Charge:</u></b> A monthly service charge of RM 10.00 will be charged to your Facility account from first disbursement of the Facility until the Facility is fully settled.</p> <p><b><u>Non-Rebated Profit:</u></b> A non-rebated profit of RM40.00 per month will be charged to your Facility account on the due date of the Monthly Instalment if the Flexibility Rate is less than 70% of the Outstanding Bank's Purchase Price at the end of the month, based on the formula below.</p> <p>Flexibility Rate (%) = (Average Daily Balance for the month/Outstanding Bank's Purchase Price) X 100%</p> <p>Average Daily Balance (RM) = (sum of daily Outstanding Bank's Purchase Price - sum of daily ledger balance of SMIA-i) / number of days in the month</p> <p><b><u>Redemption Statement Fee (Flexi Home Financing-i only)</u></b> A fee of RM50.00 is payable to the Bank each time you request for redemption statement.</p> <p><b><u>Letter of Confirmation for Employees Provident Fund ("EPF") Withdrawal Fee (Flexi Home Financing-i only)</u></b> A fee of RM20.00 will be debited to your Facility account upon each issuance of the home financing balance statement addressed to the EPF.</p> <p>All fees and charges are non-refundable and may be updated by the bank on its website from time to time.</p>

**9. What if I fail to fulfil my obligations?**

**a) During Tenure:**

- (i) If there is any overdue and/or late payment of the monthly profit or the monthly instalment (as applicable), the compensation ("**Ta'widh**") rate of 1% per annum will be charged on such late payment. The compensation (Ta'widh) is computed on a daily balance basis and charged to your Facility account monthly.
- (ii) If the overdue and/or late payment of the monthly profit or the monthly instalment (as applicable) results in the Facility being terminated or brought to court for judgment prior to maturity, the compensation (Ta'widh) rate of 1% per annum will be charged on the outstanding Bank's Sale Price less the rebate ("**Ibra**") ("**Outstanding Balance**"), from the date the Facility is terminated until the date the Outstanding Balance is received by the bank in full or the judgment for the Outstanding Balance is obtained against you, whichever is earlier.

**b) After Tenure:**

If the overdue and/or late payment of the monthly instalment after the expiry of the tenure, the compensation (Ta'widh) rate to be applied will not be more than the BNM's prevailing daily overnight Islamic Interbank Money Market ("**IIMM**") Rate on the Outstanding Balance from the date the tenure expires until the date the Outstanding Balance is received by the bank in full; subject always to any rebate (Ibra'), wherever applicable.

The accumulated compensation (Ta'widh) will not exceed 100% of the Outstanding Bank's Purchase Price. The bank will give the Customer(s) prior written notice of any change in the compensation (Ta'widh) rate for late payment.

The Bank's Purchase Price is an amount equivalent to the Facility amount.

"**Outstanding Bank's Purchase Price**" means the Bank's Purchase Price portion of the Bank's Sale Price which has not been paid to the bank.

The accumulated compensation (Ta'widh) must not exceed one hundred percent (100%) of the Outstanding Bank's Purchase Price. For this purpose, (i) the Bank's Purchase Price is an amount equivalent to the Facility and (ii) the Outstanding Bank's Purchase Price means that portion of the Bank's Sale Price which represents the Bank's Purchase Price (i.e. which does not consist of any profit element), and which has not been paid to us by you.

**Note:**

- Legal action and foreclosure: Legal action will be taken against you if you fail to respond to reminder notices. Your property may be foreclosed on, and you will have to bear all costs of such foreclosure. You are responsible to settle any shortfall if your property is sold at a price lower than all outstanding amounts under the Facility.
- Review: The bank retains the absolute right to review and terminate the Facility granted to you in the event there is any indication the Facility is being used for non-Shariah compliant activities or if any other event of default occurs provided for in the Murabahah Facility Agreement.
- Right to set-off: The bank has the right to set-off any credit balance in your other account(s) maintained with the bank against any outstanding balance in the Facility account after giving you seven (7) calendar days' prior notice.
- Foreclosure: Your property may be foreclosed on, and you will have to bear all cost of such foreclosure. The bank will have the right to commence recovery activities (including engaging third party debt collecting agencies), foreclosure and bankruptcy proceedings. You are also responsible to settle any shortfall if your property is sold at a price lower than all outstanding amounts under the Facility.
- Bankruptcy: You may be subject to bankruptcy proceedings if the outstanding amount reaches a certain limit. If you are adjudicated a bankrupt, your assets will be frozen and confiscated.
- Legal action against you may affect your credit rating, making it more difficult or expensive for you to obtain.

10.	<p><b>What if I fully settle the financing during the lock-in period?</b></p> <p>You will need to pay the outstanding balance, current monthly profit and any other amount due and payable to the bank.</p>
11.	<p><b>Do I need any takaful coverage?</b></p> <p>a) A Group Mortgage Reducing Term Takaful ("<b>MRTT</b>") is a non-participating single contribution plan which provides death and total and permanent disability ("<b>TPD</b>") coverage. It is optional for you to take up an MRTT unless MRTT is made compulsory due to specific promotional criteria (if stated in the letter of offer for the Facility).</p> <p>You are, however, encouraged to take up the MRTT to protect your family from losing the property due to unforeseen circumstances.</p> <p>The coverage provided by the MRTT will take effect when the takaful operator receives the full contribution (including any loading or excess to the original contribution).</p> <p>If the Facility is subject to a variable profit rate; and you cancel the MRTT, or allow your MRTT to be cancelled, the Bank may increase the EPR for the Facility by 0.10% (provided that the EPR may not exceed the CPR at any time).</p> <p>b) Fire or houseowner takaful is required to cover the property against the risk of fire and other risks considered necessary or appropriate by the Bank.</p>
12.	<p><b>What are the major risks?</b></p> <p><b>Fixed / Variable Rate or Combination:</b></p> <p>This product is offered to you with a fixed or variable or combination of both rates. The monthly instalment amount is fixed throughout the tenure (for fixed rate) or varies (for variable rates). In circumstances where the market rates are lower or higher than the agreed fixed or variable rates, you are bound to pay a comparatively higher monthly instalment amount. The monthly instalment amount payable may be higher than the previously agreed. Furthermore, you do not have an option to convert the rates to the market rates whenever you want as the agreement has been made on the basis of a fixed or variable rate throughout the tenure.</p> <p><b>Exceeding Retirement Age:</b></p> <p>Where the Facility tenure extends past your retirement age, you will be obliged to meet payments under the Facility during your retirement. You should consider all avenues of payment available to you at such time, for example, from your funds in the EPF, provision under pensions, or annuity payments.</p>
13.	<p><b>What do I need to do if there are changes to my contact details?</b></p> <p>It is important that you inform the bank of any changes in your contact details to ensure that all correspondences reach you in a timely manner.</p>
14.	<p><b>Where can I get assistance and redress?</b></p> <p>If you have difficulties in making monthly payments, you should contact the bank earliest possible to discuss payment alternatives. You may contact the bank at:</p> <p>CIMB Islamic Bank Berhad Customer Resolution Unit (CRU)</p>
